## 2011-12 Panther Pass

### ATTENTION PANTHER FANS!

We are preparing to embark on another great year of ICCS Athletics and will once again be selling the ICCS Panther Pass. This is a pass that gets your entire family into all games and events hosted by ICCS during the 2011-2012 school year. This includes football, volleyball, and basketball games as well as track meets and all ICCS sponsored tournaments. The cost for your ICCS Panther Pass is \$125.00 entitling your entire family admission. Also for those older fans who just can't hide their Panther Pride, grandparents may be added to your Panther Pass for an additional \$50.00. Celebrate Grandparent's Day with a gift that lasts all year long by coming out to watch your ICCS Panthers pile up some victories.

Purchase your Panther Pass as soon as possible by filling out the following information and turning it in along with your check to the ICCS Reception Office or to Coach Jones. If you have any questions, please call Coach Jones at 515-3402.

Remember, the basic Panther Pass for your family is \$125.00 and the Panther Pass with Grandparents included is \$175.00.
